

AMENDMENTS TO THE DRAWINGS

The attached eleven (11) replacement sheets are corrected versions of the previously submitted eleven (11) sheets of drawings. Changes have been made to the drawings to correct the informalities indicated by the Examiner, including, the labels that were obscuring the Figure numbers. No new matter has been added. Please replace the previously filed eleven (11) sheets of drawings with the attached eleven (11) replacement sheets of drawings. As the only changes made are that required by the Examiner's Statement, no new matter has been added.

REMARKS

In the Examiner's Statement, the Figures were objected to due to informalities. In FIGS. 2, 4, 7b, 11, 17 and 20, the labels were obscuring part of the illustrations. New drawings have been submitted that are clear and free from obscurities. These new drawings have been provided as replacements of the previously filed drawings.

Applicants respectfully request acceptance of the replacement drawings and the Examiner is respectfully requested to take such proper actions so that a patent will issue herefrom as soon as possible.

If the Examiner has any questions or believes that a discussion with Applicant's attorney would expedite prosecution, the Examiner is invited and encouraged to contact the undersigned at the telephone number below.

Please apply any credits or charge any deficiencies to our Deposit Account No. 23-1665.

Respectfully submitted,
